

Attention Downtown Retailers AND Restaurants,

We'd like to give some special attention to the Valentine's Day Sales AND Events going on in Downtown Bozeman ON AND BEFORE Friday February 14, 2020! With soooo many fun gift ideas, in-store specials as well as special dinner events and menus...we will be compiling this list! Then, will be sharing the details through the DBA marketing and social media avenues the week prior!

WE WANT YOUR INFO! Email us at info@downtownbozeman.org with your details in two sentences or less NO LATER than Wednesday, Feb. 5!!! Maybe include pictures of your store front too?

Also, once you have sent your information our way....we will respond with some of our marketing materials including the Logo and a Facebook Cover Image so that you can also use it for any grassroots promotions you may be doing on your own or even simply by printing and hanging it in your window?

Thanks!

Ellie and Makai-Lynn
